

The YMCA of Florida's First Coast presents its **3rd Annual Drivers of Change Golf Tournament** to be held on Monday, October 14, 2019 at Timuquana Country Club. This corporate golf event offers a unique experience with the YMCA and corporate participants by providing an opportunity to make a difference in strengthening the foundation in the North Jacksonville communities we serve.

Proceeds from the golf outing will benefit the Y's Tiger Academy Charter School and the Johnson Family YMCA Teen Program. Over the last two years, we have been able to provide over \$200,000 in support through the tournament proceeds.

This coming school year, YMCA Tiger Academy Charter School will celebrate its 10th year and we anticipate new and exciting programs and impact for our scholars.

In late April, the Johnson Family YMCA opened its brand new Teen Center and swimming pool. The Teen Center is equipped with a state-of-the-art STEAM lab, computer lab, game room, recording studio and teaching kitchen. Through your support, over 100 teens will be able to participate in the only programming of its kind in the Northwest Jacksonville area.

Join the YMCA as we focus on the future with our YMCA Tiger Academy scholars and Johnson Family YMCA teens. The levels of sponsorship support are listed on the following page.
