**WHEREAS**, on March 9, 2020, Governor Ron DeSantis issued Executive Order Number 20-52, declaring a State of Emergency for the State of Florida, extending to all sixty-seven (67) counties, including St. Johns County and the City of St. Augustine due to COVID-19, which Executive Order Number 20-52 was extended for an additional sixty (60) days on May 8, 2020, by Executive Order Number 20-114; and

**WHEREAS**, between March 17, 2020 and the date hereof, Governor Ron DeSantis issued several Executive Orders placing numerous restrictions on individuals and businesses in response to the state-wide threat of the spread of COVID-19 virus; and

**WHEREAS**, on April 29, 2020, Governor Ron DeSantis issued Executive Order Number 20-112, as modified by Executive Order Number 20-120 on May 9, 2020, and Executive Order Number 20-123 on May 14, 2020, in response to the recommendations set forth in Phase 1 of the plan issued by the Task Force to Re-Open Florida, and adopted a phased approach to remove or decrease certain restrictions imposed pursuant to the Executive Order Number 20-91, Safer-At-Home Order; and

**WHEREAS**, on June 3, 2020, Governor Ron DeSantis issued Executive Order Number 20-139, moving all counties in Florida, other than Miami-Dade, Broward and Palm Beach Counties, into Phase 2 of the plan issued by the Task Force to Re-Open Florida, which Order supersedes Executive Order Number 20-91, the Safer at Home Order, and supersedes in part, and extends and modified other provisions of, Executive Order Number 20-112; and

**WHEREAS**, on March 17, 2020 the St. Johns County Board of County Commissioners issued Emergency Proclamation Number 2020-1 declaring a local state of emergency in response to a county-wide threat from COVID-19, which Proclamation has been extended numerous times, and most recently on June 23, 2020; and

**WHEREAS**, between March 12, 2020, and the date hereof, the City Manager has issued several Administrative Orders in response to the city-wide threat of the spread of COVID-19; and

**WHEREAS**, based on recent information and data from the Florida Department of Health, the number of confirmed cases of COVID-19 in St. Johns County and the City of St. Augustine has increased significantly since additional re-openings were authorized under Phase 2 of the Governor's Plan for Florida's Recovery, which increase may result in additional deaths; and

**WHEREAS**, in response to the dramatic increase in COVID-19 cases, the Florida Medical Association, the state's largest physician's organization, encourages all local officials to adopt regulations requiring individuals to wear face coverings in public places; and

**WHEREAS**, based on advice from medical professionals the number of confirmed cases of COVID-19 in St. Johns County and the City of St. Augustine will increase exponentially if additional measures to stop or slow the spread of COVID-19 are not instituted; and

**WHEREAS**, the United States Centers for Disease Control and Prevention ("CDC") has expressly found that: "COVID-19 spreads mainly from person to person through respiratory droplets produced when an infected person coughs, sneezes, or talks. These droplets can land in the mouths or noses of people who are nearby or possibly be inhaled into the lungs. Studies and evidence on infection control report that these droplets usually travel around 6 feet (about two arms lengths)"; and

**WHEREAS**, the CDC therefore specifically recommends that as businesses and communities reopen, and people resume their daily activities, people should wear face coverings to slow the spread of COVID-19, particularly "in public settings where other social distancing measures are difficult to maintain"; and

**WHEREAS**, consistent with Governor DeSantis' Executive Order Number 20-51, as extended, modified or amended, Chapter 252.46, Florida Statutes, and Sec. 3.05 of the City Charter, the City Commission is authorized to make such orders and rules as are necessary to ensure the health, safety and welfare of the community during a state of emergency; and
