## **YMCA Before and After School Program 2020-2021 Addendum**

Due to the recent COVID-19 pandemic, additional precautions have been put into place during the 2020-21 school year. With the health and safety of everyone we serve at the forefront, the following measures will be in effect:

- Students of all ages will be required to wear a face covering
- Temperature checks and health screen will take place when dropping your child off
- Curbside/Outdoor check in and sign out will take place each day. We ask that parents do not enter the building.
- When possible, students will be kept at a safe distance from each other during activities.
- Capacity will be reduced and spaces may be limited.
- Lowered Staff: Student ratios will help keep group sizes smaller and limited.
- Additional efforts will be made to clean, sanitize and disinfect areas and materials used.
- YMCA staff will be required to wear face coverings.
