SPORTS PHILOSOPHY

Kids who play at the Y learn more than just the game. We provide positive, fun activities that build athletic, social and interpersonal skills that lead to better behavior, healthier lifestyles and even academic achievement.

We also know that sports at the Y aren't just for kids. So connect with others in our friendly, competitive Adult Basketball League.

REGISTRATION INFO

The Winston YMCA will have registration for all sports between 2023-2024. Official registration can be found online and at the branch front desk. Registration fees will be increased after each regular registration period ends. Registration after the end of the regular registration period is not guaranteed and will be accepted on a case by case basis.

FUNDRAISING

The YMCA has a mission of being open to all. This also includes the ability to participate in youth sports. With that in mind, the Y can only subsidize the cost of a season through the generosity of our own community right here in Riverside. If you are interested in donating to help fund the participation of underprivileged families or if your company would like to sponsor a team, please reach out to the Winston YMCA Sports Director.

VOLUNTEER

Each of our volunteers helps deliver the benefits of good health, strong connections, greater self-confidence and a sense of security to all who seek it. When you volunteer at the Y, you take an active role in bringing about meaningful, enduring change right in your own neighborhood. Are you ready to get involved?
