### PARENT ORIENTATION

A 5-minute orientation will be given on the first day of each session. It is recommended that a parent or guardian accompany their child to the orientation. The first class will also contain a swimmer evaluation. Please note, at the time of registration, classes will be based on age. After the first class, classes will be formed on ability. If a group is too small to divide by ability, the children are taught swim skills that match their individual ability within the group.

### MAKE-UP POLICY

The Y will close the pool when lightening, thunder, or heavy rain is in the area. Other unforeseen pool closures may also be necessary. The Y will guarantee all scheduled lessons per session. If additional make-up lessons are needed, your instructor will schedule them. **Classes will be made up as a class, not on an individual basis. Make-up lessons are only permitted when the Y cancels the class.**

Decisions on cancellations due to weather will be made no more than 30 minutes prior to the scheduled lesson. If the weather is questionable, please call the Y at 904.355.1436 ext. 1415 before leaving home for your lesson.
