PARENT FEEDBACK

The YMCA program has been wonderful for my son. He absolutely loves going every day. The staff is incredibly creative with their activities, keeping the children engaged, active, and excited to participate. They do an amazing job organizing games and activities that keep him moving and having fun, and he always comes home happily worn out. It's clear that a lot of thought and effort goes into creating a positive and enjoyable environment for the kids. We are very grateful for the caring staff and the excellent program they provide.

-parent at Tynes Elementary

My daughter had an amazing experience at camp, and Ms. Sierra played a huge role in making it so special. From the creative weekly themes to the fun daily activities, she was always excited to tell me about her day. She especially loved pool time and couldn't wait to jump in and have fun with her friends. One of my favorite parts as a parent is the reminder messages and updates sent. They always made me laugh and gave me peace of mind knowing my child was having such a great time. Her messages showed how much she genuinely cared about the campers and helped parents feel connected to the camp experience. Ms. Sierra created a positive, welcoming environment where the children felt encouraged, supported, and included. My daughter has already told me she can't wait to come back. Thank you for making this such a memorable and fun experience for my daughter!

-parent at Riverside Park UMC

The YMCA has been an incredible blessing in my son's life and in our family's journey. From the moment he became involved, the YMCA has provided him with a safe, welcoming, and encouraging environment where he has been able to learn, grow, and build meaningful relationships. It is more than just a program—it is a community that genuinely invests in the success and well-being of every child. I am especially grateful for Ms. Ro, whose dedication, compassion, and unwavering commitment have made a tremendous impact on my son. She has encouraged him to believe in himself, celebrate his strengths, and persevere through challenges. Her patience, kindness, and genuine care have helped him grow not only academically and socially but also in confidence and character.
